Subject: RE: Pre-application 'Noise' prep
Attachments: DDR2009-3 Ver 14 Final.docx

Agenda:

- Review of Director's Rule to identify any additional requirements or submittals (Section A2 of attached)
- Overview of project as it currently stands
- Noise Variance application process
 - Confirm submittal requirements
 - Schedule (anticipated variance application submittal)
 - Public outreach
 - Start of work following issuance of noise variance
- Review of NMMP
- Next Steps

Attached is the Director's Rule for Noise, 3-2009 for reference.

Thanks,
Adam
