DRAFT_Predecisional_AWV_Permitting Milestones_112009.mpp

Hi all,

Let's go over this at our permit team meeting on Monday. I'll explain my logic and point out the areas that I hope you can clarify/revise. It would be good to have your comments back by 11/30/09, but if you can't make that date – let me know.

This is also located: J:\Environmental\Project by SR\099 - AWV Projects\099 - Current Permitting\Overall Permit Schedule
