**Subject:** RE: Graphics for Geometric and Deviation Meeting Tomorrow

John,

Let me know what I can help out with relating to the meeting with headquarters today.

Joe:

Work with John. He and I talked today about the same. We will have some graphics that we will send to Mike and Co. in the morning. Perhaps you can help with this.

Thanks

Sincerely,

Asvin Mandadi, PE

John and Asvin

Can you help me provide or tell me which graphics we will need to send to WSDOT headquarters for our discussion tomorrow. I am hoping to provide this to them a few hours before so they can look it over first. Let me know what you think? Thanks
