**Subject:** Call for agenda items: 5/28 H2K meeting

Hello all,

Apologies for the last minute request (time really flies!). I'd like to send out an agenda by **noon on Wednesday**, so please send me any topics you wish to discuss.

Topics I've thought of:

1. supporting the engineering judgement to maintain the 6% max. super rate on SR 99.
2. how to document this decision--a project specific deviation or include it in the Corridor Analysis being prepared by K. Loen?
3. submitting a Project Development Approval schedule.

**Thank you,**

**206-267-3819 (Mon-Thurs)**
