**Subject:** word version of H2K Dev 1 & 2?

John,

Do you have a word version of the final deviation 1&2? The version in the documentation file is a pdf and the word version I'd found turned out to be from an older, non-approved version.

If you do, and can find it easily, please send it to me. If it's going to take you more than 5 minutes of digging, let me know. I can retype it.

**Thank you,**
