Subject: Permit Strategy - A work in progress
Attachments: AWV permit Strategy9_27_06 (12).doc

Here's version 12. I have moved a few things around as we discussed yesterday (Permit Team contact table and org chart into Appendix D) and accepted my edits. Hopefully it works. I've only reviewed the document through section 3.2 I know we are re-writing a number of sections, but I'm going to look through these as well.

Thanks for your help.

Sandy
