Subject: Bored Tunnel & Transition Bridges Structural Design Criteria

Rick,

Jugesh Kapur and I would like to meet to discuss two structural design criteria elements with you and your staff this Wednesday, April 1st. We can be at your office by 9:00 am. The two items are:

- 1) Bored Tunnel - 2500 and 108 Dual Level Earthquake
- 2) Transition Structure - Seismic Criteria and Evaluation of Existing Modified Frames

Please confirm if a meeting can be scheduled.

Regards,
Tim
