Ron and Hannah-

Attached is the prep sheet and presentation for the Delridge District Council briefing tomorrow evening from 8-8:30 p.m. at the Youngstown Cultural Art Center.

The address is:  
4408 Delridge Way SW  
Seattle, 98106

I was asked to arrive at 6:45 p.m. to set-up all of the AV equipment. Councilmember Richard Conlin will be presenting from 7-8:00 p.m. We have been asked to present for 20 minutes followed by 10 minutes for Q/A. They expect a maximum of 30 attendees. They would like for us to focus on the bored tunnel hybrid alternative and how it will benefit residents of West Seattle. They would also like us to provide a detailed explanation of the cost structure by agency.

Please let me know if you have any questions or would like for me to incorporate any additions/changes to the presentation.

Thanks!  
Lara
