Ron and Harold-

Attached is the prep sheet and presentation for the Eastside Transportation Partnership (ETP) briefing on 2/20 at 7:45 a.m. at the Unigard Campus in Bellevue. We have 20 minutes for the presentation followed by 10 minutes for Q/A. They would like a brief overview of the bored tunnel hybrid alternative but asked that we focus primarily on the MVET.

The address is as follows:

Unigard Campus  
Olympus Building

15805 NE 24<sup>th</sup>, Bellevue (Once you enter the Unigard Campus you will follow the road up the hill. Across from the flag pole is the Olympus Building. Visitor parking is located in the vicinity).

I live over in Bellevue so I will meet the two of you at the briefing. I am happy to give you a ride back to the office following the briefing.

Please let me know if you have any questions or would like for me to make any changes to the presentation.

Thanks!  
Lara
