Matt and Eric-

Attached is the presentation for the West Seattle Kiwanis Club briefing tomorrow morning at Be's Restaurant in West Seattle. I am arriving at 6:45 a.m. to set up the projector and laptop. The meeting begins at 7:00 a.m. and the AWV update is on the agenda at 7:30 a.m. They are interested in a general update on the bored tunnel hybrid alternative, emphasizing connectivity between West Seattle and downtown. In addition they are concerned whether or not this option is really viable.

Please let me know if you have any questions on the presentation or would like for me to make any changes. I will also send out a prep sheet shortly.

Thanks!
Lara
