Got it...John changed it as well. Look okay?

The bored tunnel and its connections and portals are estimated to cost \$1.9 billion.

Nice quote! I'm keeping it in!

Where did you make the minor edit?

Hi Amy, Sasha is logged in here, so I'm on her account. One minor edit, and one more quote added at the end.

Attached for your review is a draft press release and media advisory for next week's bill signing. Lloyd said not to try to write the quotes from the transportation chairs...thus the placeholders.

Please send comments to me by 12:30. Sorry for the quick turnaround -- Lloyd needs to get Paula's approval and send it over to the governor's office this afternoon.

Thanks.
