Please send all materials to Emily Claus at clause@wsdot.wa.gov

I am leaving to go to a 520 meeting and Emily will be responsible for making sure things come together for this evening's briefing. She is also making the change to the agenda from below.

Thank you.

Subject: SAC bored tunnel meeting materials

Our plan is to have the PowerPoint presentations in to Amy/Communications by 2PM, so that the PDF's can be sent out to the tri-agency leads as a package for final review.

Kadeena - please edit the agenda to reflect Mike Rigsby doing the team presentation items and Richard Prust from Arup being on the agenda along with Peter Chamley from Arup.

Thanks!

John
