Subject: FW: TMA Jan 21 noon

Since we are attending NSIA next week, should we add these to the calendar?

Subject: TMA Jan 21 noon

Thanks for helping me get the info for our ebulletin.

Can you help us find a WSDOT speaker who could attend the Jan. 21, Wednesday at noon meeting of the new board for the Duwamish Transportation Management Association? We'd like to know what's up now that the deep bore tunnel is on the table. Like, what will that mean for the south end viaduct project. It would be valuable to learn even if people don't have answers yet. We would also like to get a similar presentation for the MIC Executive Committee meeting on Tuesday, Jan. 27, 4-5:30.

It doesn't have to be much, 15 minutes should do it. We appreciate you may not have answers yet.

We recently reconfigured the board for our TMA to include Liz Warman from Boeing, Gael Tarleton from the Port Commission, and Ed Shilley from Nucor Steel, in addition to Brent from Starbucks, Susan from the Mariners, John Odland from MacMillan-Piper and Peter Whitehead from Nelson Trucking, who chairs the city's freight mobility advisory committee. First and Goal and the Public Stadium Authority have also joined, but we don't know who will be representing them. The TMA board meets at the MIC office, 5509 1st Avenue South in Georgetown.

I suspect Bob Donegan from Ivar's might also show up at one or both of the meetings.

Thanks for the assist.
