Subject: Regarding TO Y9593 AC

Pam and Brian:

AWV Contracts would like to move forward with new Task Order Y9593 AC – *AWVSRP Meetings and Workshop Support for the Bored Tunnel*. Under this TO, CONSULTANT Shannon and Wilson is providing a work scope and funding request for work shop and general meeting support related to the Bored Tunnel as part of S&W's geotechnical tunnel program.

Funding for this TO is anticipated at \$140K (not negotiated yet).

Before moving this Task Order amendment up the Chain-of-Command, I would like to know:

For the AWW Budget Group – any reason(s) we should not proceed with the request?

For the AWW Project Controls Group – any reason(s) we should not proceed with the request?

I would appreciate your response by **COB Friday April 17, 2009 if not before**. I need to provide this information to Ward and/or Theresa to take to the AWW Program Management Team.
