It was pointed out to me that I had a couple of incorrect times on the agenda that was sent out yesterday. Rest assured we will be most likely be done by 10:30A. Attached is the corrected agenda. Sorry for the confusion.

Subject: RE: AWW Intermodal Team Meeting

Greetings! It's a New Year and there's much to talk about after last week's announcement on the bored tunnel. Our next quarterly OneDOT Intermodal Team meeting is scheduled for **Friday, January 23, 2009 from 9:00A-11:00A in FTA's Conference Room** in Seattle. Attached is the agenda (AWV Intermodal Team Agenda 01-23-09.doc) for the meeting. Should you have any questions or concerns please let me know. See you on the 23rd!

- Dan

P.S. With all the things happening our previous meeting was conducted via teleconference (for some of us like me who forgot until the last moment—sorry). It was recognized that things were still in a state of flux at that time and so no meeting notes were prepared. That won't be the case beginning with Friday's meeting though.
