Subject: Follow Up Meeting on Mercer/Freight Issues - Bored Tunnel

Sally –

We are looking to set up a follow up meeting to today's meeting with the group that met regarding Mercer Street. I do not have the proper spellings but the attendees included:

Bob Powers
Ron Paananen
Mark Bandy
Steve Pearce
Eric Tweit
Jennifer Ziegler
Christine Wolfe (Port)
Eugene Wasserman
Eugene Hوجلund
Susie Burke

This meeting would likely need to have Gordon Clark in attendance and would be a summary of the bored tunnel concept as it is currently developed.

I am out the week of August 18 – can we find a date/time – Monday August 10 at 9 or 10 AM (similar to today's meeting).

Please let Sally know if this date works and she can set the meeting, room and invite the proper people
