Subject: Preliminary Bar Chart for use at the meetings tomorrow
Attachments: Single bore DRAFT bar chart (MRM JJR) 13Jan09 edits.pdf

Lady and Gentlemen,

Attached you will find a draft bar chart that John Reilly and I prepared as a "straw man" for use to discuss the schedule for the Central Waterfront Bored Tunnel tomorrow.

You may find it advantageous to print this on 11 x 17 paper to use for your own notes.

Looking forward to seeing you (or in the case of Don and Harvey) talking to you tomorrow.

Best Regards,

Mike Morrison
