Mark

You mentioned previously about meeting at the Mt. Baker facility and I think this is a good proposal. I will discuss with Alec and get back to you.

Don,

I will fill in for Jim while he is on vacation. The tunnels are part of my area of responsibility. I do want to propose a change in location for the meeting. We can accommodate everyone at the Mt. Baker facility and time permitting we can do a short tour to give everyone an idea as to what we have there, etc...

Thanks,

*Mark C. Renshaw*
