Subject: Kiewit meeting

Kiewit would like to meet and discuss bored tunnels. It would be their WA management as well as Mark Ramsy, who is their national underground lead (from Omaha if I remember right).

Looking at the 17th lunch or afternoon, or the 18th in the AM.

Am guessing that Ron (and possibly others) might want to be there. Please work with Sally to confirm availability and others' attendance (such as Linea or Bob D).

Thanks.

John
