**Flag Status:** Red

**Attachments:** BT LAccess Apr1 09 - North.pdf; BT LAccess Apr1 09 - South.pdf

Revised version is attached.  
Attached are drafts for the north and south portals.

BT LAccess Apr1 09 BT LAccess Apr1 09  
- North.pdf... - South.pdf...

We have not talked much about the north, but we could use this to talk from I suppose.

Ben Rodenbough, P.E.

**Importance:** High

Mike: We're going to need a " Draft" access control plot for this meeting tomorrow, and Alec tells me you're the go-to guy for this. I also need the electronic version of this to send to the folks at HQ that are going to be conf calling into the meeting tomorrow.

Thanks!
