**Subject:** TO Y9594 AG TORF Review

Pam and Brian:

AWV Contracts would like to move forward with new Task Order Y9594 AG – *AWVSRP Preliminary Geotechnical Studies for Central Tunnel*. Under this TO, CONSULTANT Shannon and Wilson is providing a work scope and funding request for geotechnical analysis in support of the 30% design of the AWV Bored Tunnel as part of S&W's geotechnical tunnel support program.

Funding for this TO is anticipated at \$450K (not negotiated yet).

Before moving this Task Order up the Chain-of-Command, I would like to know:

**For the AWV Budget Group – any reason(s) AWV Contracts should not proceed with the request?**

**For the AWV Project Controls Group – any reason(s) AWV Contracts should not proceed with the request?**

I would appreciate your response by **COB Friday April 24, 2009 if not before**. I need to provide this information to Ward and/or Theresa to take to the AWV Program Management Team.

Tom
