**To:** Alaskan Way Viaduct  
**Subject:** South Portal Working Group Meeting - May 6, 2009

South Portal Working Group Members,

Thank you again for agreeing to participate in the Alaskan Way Viaduct and Seawall Replacement Program south portal working group.

As you may be aware, the Washington State Legislature approved [ESSB 5768](#), which identifies the bored tunnel package as the replacement for the Alaskan Way Viaduct.

Your participation in this group will be imperative to our work to move forward and begin construction. We are looking forward to hearing your feedback on portal design, transportation, urban design, and other features of the program on the south end of the corridor.

The first meeting of the working group will be next **Wednesday, May 6 from 4 to 6 p.m. in Avenue One Ballroom of the Silver Cloud Inn, 1046 First Ave. S. in SoDo**. We have attached an agenda for the meeting, as well as directions and parking information.

If you have any questions prior to the first meeting, please e-mail the program office at [viaduct@wsdot.wa.gov](mailto:viaduct@wsdot.wa.gov) or call Amy Turner at 206-267-6821.

Regards,

Ron Paananen, Deputy Administrator  
Urban Corridors Office
