SeattlePI.com

Kristy Van Ness with the Alaskan Way Viaduct program sent a correction to Casey McNerthney at the SeattlePI.com, regarding an article on the March 23 Ballard forum. Van Ness corrected John Reilly's title (Reilly is a consultant with WSDOT), and sent a PDF of the materials distributed at the meeting to replace the grainy images that McNerhney had posted on the site.

MyBallard Blog

Kristy Van Ness with the Alaskan Way Viaduct program sent links and PDFs of the bored tunnel maps to MyBallard.com, to replace the PowerPoint photos that were posted from the March 23 Ballard forum.

3/23

KOMO Radio

Kristy Van Ness with the Alaskan Way Viaduct program spoke with KOMO radio regarding the weekend inspection of the viaduct. Van Ness discussed the maintenance and inspection work that was completed, the early opening of the Battery Street Tunnel, and said that inspection results would be available on Friday, March 27.
