The draft is due tomorrow. My instructor will look over the story and make comments and our final is due next Tuesday. I would assume we will publish then, but our website isn't live yet.

Thanks again for your help.

Kristy-

Thank you for this information. It has helped alot. I know that you said you would contact people about my specific questions, but I was just wondering when exactly they would get back to me and if it would be by phone or email? My deadline is tomorrow. Thank you so much for your help.

Christina

Christina -

Thanks for your call today -- here are some initial links that may help you out.

We've posted a short simulation on YouTube of the bored tunnel. You can find it here: www.youtube.com/watch?v=FYCrH6XteP0.

I've also attached some other information about the bored tunnel - might help out with background for you.

Our central waterfront page is here:
www.wsdot.wa.gov/Projects/Viaduct/centralwaterfront.htm

More info coming your way soon - please feel free to call or email if you have questions in the meantime.

Thanks,
Kristy
